Technical Specifications	Number of motors	3	3	3
	Control box supply	200- 240 VAC / 50Hz/ 60Hz		
	Power supply / Operating power	30V DC / 150W		
	Cable length	15M	18M	21M
	Filtration level/opacity	100μ filter canister* / 5L *Other filter canisters available as accessories in 200 and 60μ		
	Inlet suction size/cleaned width	24.5 cm		
	Cleaner weight/dimensions	10 KG / 43x 48 x 27 cm (L x W x H)		

EvoluX iQ™

COMBINING ULTRA PERFORMANCE AND
INTELLIGENCE WITH POOL CLEANING

- Customised Cleaning Sensor Nav System™
- Ease of Use
- Suction Efficiency
- Intuitive App Navigation

CLIMATE CARE CERTIFIED

ZODIAC®   **ZODIAC®**

EvoluX iQ™

With its Sensor Nav System™, the EVOLUX iQ™ robotic range identifies the configuration of your pool to optimise the cleaning path and cleaning time. The patented cyclone suction guarantees extremely powerful and long-lasting suction. Thanks to the patented Lift System ™, EVOLUX iQ™ is lighter when removing it from the water. Control your cleaner anywhere, anytime through the intuitive interface of the iAquaLink™ App. EVOLUX iQ™ is upgradable thanks to possible optimisations and automatic remote updates over the air.

Easy to Use
The patented Lift System™ allows the cleaner to be lighter and completely effortless when it is removed from the water. With easy access to the filter and the visibility of a transparent window, the EvoluX iQ™ makes for the ultimate pool cleaning experience.

Suction Efficiency
Combining the constant power of its patented Cyclonic Suction with an impressive filtration system, the EvoluX iQ™ sets the benchmark in debris collection.

Customised Cleaning
Equipped with a Sensor Nav System™, the EvoluX iQ™ robotic pool cleaner learns your pool's configuration to fully optimise the cleaning path and cleaning time. The pressure sensor also delivers efficient wall climbing and waterline cleaning by measuring the depth of the pool.

Intuitive App Navigation
Control and monitor the progress of the cleaning cycle anytime, anywhere, using the intuitive interface of the iAquaLinkTM application. To stay up to date, the EvoluX iQ™ constantly evolves thanks to constant automatic remote feature updates.

Convenient Caddy
(not included with all models)

Climate Care Certified
The Climate Care Certification Program is an initiative of the Swimming Pool & Spa Association of Australia Ltd (SPASA). It is the industry's new efficiency and sustainability certification program.

Not available on all models, please refer to the specification table on the back

Large capacity 100µ filter canister
With easy access and smart canister design, cleaning and removing debris has never been more simple.

Transparent canister window with LED illumination
The LED light and transparent window make it easy to see inside, even while submerged.

Swivel Cable
The swivel mechanism helps prevent the cable from tangling while submerged.
