

EVOMAX LED POOL LIGHTS

Premium Lighting System

AQUA QUIP

www.aquaquip.com.au

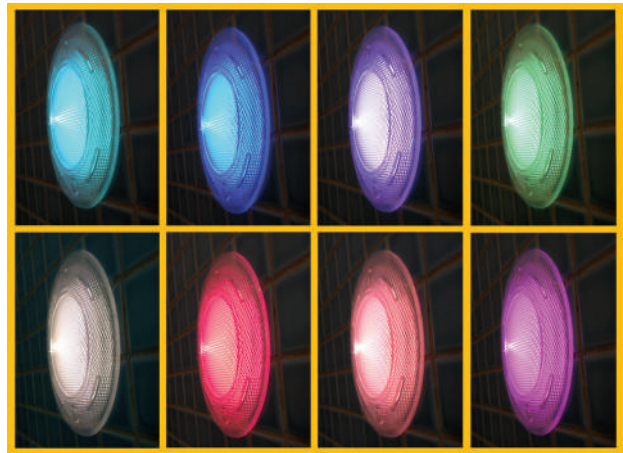

The underwater lighting system providing maximum brightness.

Compatible with
InstaTouch™
SMART LIGHTING
CONTROLLER

- EvoMAX is Aqua-Quip's premium niche lighting system, providing maximum illumination whilst preserving a flush profile.
- The lens design on EvoMAX provides unrivalled light diffusion and distinctive side lighting effects – eliminating hot spots.
- The patented and innovative Quick Connect Plug Kit allows the cable to be detached from the pool light, simplifying the installation process.
- Available in fixed colours of blue, white and warm-white as well as multi-colour.
- Multicolour lights can be operated from Aqua-Quip's InstaTouch Smart Lighting Controller, a wall switch or a variety of third party control systems.
- EvoMAX is also the perfect choice for replacement of existing niche lights in concrete and fibreglass pools.

EvoMAX shown with optional mirror-polished stainless steel trim ring.
