

# Turmion® WiFi Transformer

Backyard Automation made easy

Transform the way you operate your pool lights by turning them on and off from your phone.

With Turmion® WiFi TXF you can:

- Turn lights on and off
- Change colours
- Set up timing
- Set scenes

All using the Wi-Fi connection in your home!

Available as a single connect suitable for one individual LED pool light and a twin connect suitable for two individual LED pool light connections.

Backyard automation has never been so easy!
