

# EASYTREAT

## SERVICING SIMPLICITY

### Why Buy?

1. **SAFER** for human health
2. **EASIER** dosing
3. **FASTER** pool & spa maintenance

## 1. SAFER

- Smaller pack sizes minimise potential chemical exposure
- No dust exposure from handling solids
- Eliminates overheating danger when dissolving Calcium Chloride

## 2. EASIER

- No dissolving required
- Measurement within bottle – no measuring jug!
- Ideal for Automatic Dosing

## 3. FASTER

- Eliminates weighing and dissolving steps
- All you need to do is “measure then pour”!
- EasyTreat also reduces your pool and spa downtime!

# EASYTREAT

## SERVICING SIMPLICITY

### Product Range

All EasyTreat Products are available for Manual or Automatic Dosing

## 1. LIQUID MAGNESIUM

64% w/w Magnesium Chloride Hexahydrate
